PRICE LIST OF
"CARTER'S WONDER"
"GLADIOLUS"

THE FLOWER SUPREME

"HOME GROWN BULBS"
THEY ARE THE BEST

For seven years I have been growing Gladiolus. In that time I have grown a great many that I have now discarded and replaced them with flowers of superior quality.

The ones that I have listed are all young, one and two year old bulbs, all good clean stock grown in my own gardens and are climated.

Any bulb sold that is not true to name will be replaced.
CULTURE DIRECTIONS SENT ON REQUEST.
